

Hello to families of Abiding Savior Academy!

My name is Jennifer Friesen, and I will be the Grammar and Preschool Bible Teacher at ASA for the 2025-2026 school year. This year, Grammar school students will once again focus on learning and memorizing the historical timeline of Biblical events. Preschool students will learn treasured Bible stories and Bible verses. In all these things, we will seek to focus on Jesus Christ!

My greatest desire as a children's Bible teacher is to help students understand and be able to articulate the saving Gospel message. I truly enjoy getting to know each student at Abiding Savior and look forward to this school year.

The Lord brought me to saving faith in Christ many years ago when a schoolteacher of mine shared the Gospel with me. My husband and I have a busy family life with 3 children that are now teens or tweens. I enjoy traveling, camping, hiking, kayaking, reading, growing orchids, and silly jokes.

Praying that this year will be a blessing to your student!

Mrs. Friesen
