

WELCOME

Hello Everyone, my name is Sydney Temple and I am looking forward to teaching your child this school year at Abiding Savior! This school year, we will be placing our focus on God and learning about the wonderful things he does for us. We will learn through stories, songs, games, and educational play with friends.

A little about me, I graduated from the University of Sioux Falls in 2019 with a Bachelor of Arts degree in Elementary Education and an Early Childhood endorsement. This will be my 4th year teaching preschool, with a little break in between. I am married to my husband Dillon, we have a beautiful daughter named Presley and a sweet dog Chloe.

I am very blessed to be a preschool teacher for Abiding Savior. As a teacher, I love helping each student reach their full potential and seeing the joy in their faces as they reach different milestones and learn something new. I welcome parent communication; I find that it is a vital part of a child's education. With your help, we will give your child a positive preschool experience where they can grow mentally, spiritually, academically, and socially. I look forward to your teamwork!

Our Open House will be August 28th, please feel free to bring your child's school supplies along. I look forward to meeting you!

Sincerely,
Sydney Temple
